ABOUT AHW AND ISC

In 2002, Mark Wenzel—along with his wife Teri—founded AHW on a quiet hill marked by a majestic oak tree: the same stretch of land that he had farmed as a child with his grandfather, August.

Twenty years after family and friends planted the first vines by hand, AHW has expanded to include caves for aging wine; a tasting room; our award-winning ISC Traditional Method and Ancestral Method sparkling wines; and a staff that is considered family. Every bottle has deep roots in our land and embodies the passion for creation that's been handed down through the generations.
